Submitted to His Highness.

I submit herewith a Final Note by the Second Member of Council on the subject of Letter of authority empowering the Dewan to draw interest on the Special Form Notes issued in the name of His Highness.

for His Highness' gracious approval.

Mirza M. Ismail
Dewan.

Bangalore,
14th September 1927.

Final Note by the Second Member of Council.

Subject:—

Letter of authority empowering the Dewan to draw interest on the Special Form Notes issued in the name of His Highness.

The Mysore State was admitted to the privilege of holding Government of India Bonds in Special Form Notes in the year 1906. The advantage of these Special Form Notes is that they are income-tax free and it is, therefore, desirable to keep our holding of Government of India Notes in this form. Till very recently the Special Notes were issued in the name of the Dewan of Mysore. But in connection with the conversion into Special Form Notes of the Government of India bonds of the value of Rs 11,50,000 in September last, the Controller of the Currency(Government of India) stated that it would be ultra vires now to issue Special Notes except in the name of His Highness as laid down in Rule 38 of the Indian Securities Rules.

2. According to the procedure suggested by the Controller of the Currency, His Highness has to be troubled for affixing his signature to several documents and the Government of India have, therefore, been addressed through the Residency for the continuance of the long standing practice of issuing notes in the name of the Dewan or in the alternative for the acceptance of the signature of the Dewan to endorsements for transfer of Special Notes and to receipt endorsements on the ordinary notes tendered for conversion into Special Notes.

3. Some Special Notes have already been issued in the name of His Highness and interest thereon has become due. According to the procedure suggested by the Deputy Controller of the Currency, Madras, the Dewan can sign receipts for interest on the authority of a letter from His Highness.

4. In the circumstances explained above, I submit herewith a draft of a letter of authority empowering the Dewan of Mysore to draw interest on the Special Form Notes for the gracious signature of His Highness.
